

NEVER SAY NEVER AGAIN.

1983

Chanté par: Lani Hall

(Never, never say never again.)

x 2

*You walk in a room, a woman can feel the heat.
One look is a guarantee, nights could be long and sweet.
The message is clear, like nothing I've ever known.
But the more that I hear, forget about long-range plans
'Cause this man's got his own.*

*To get mixed up with, a man who says never.
May be big trouble, but then
I just could be, the woman to take you .
And make you, never say never again.*

*Never, never say never again.
Never, never say never again.
Never, never say never again.
Never, never say never again.*

*You've got all the moves, ah, but baby I've got them too.
No matter your attitude or your mood, I'll come through.
The touch of your voice, the feel of your eyes on me.
You leave me no choice, though I know there's danger there
I don't care, let it be.*

*To get it bad with a man who says never
May have no future, but then
I just could be the woman to reach you
And teach you to never say never again.*

*I'll beg you.
I'll get you.
I'll reach you.
I'll teach you.
I'll take you.
I'll make you.*
