

TOMORROW NEVER DIES.

1997

Chanté par: Sheryl Crow

*Darling, I'm killed.
I'm in a puddle on the floor
Waiting for you to return.
Oh what a thrill,
Fascination's galore.
How you tease, how you leave me to burn,*

*It's so deadly my dear
The power of having you near.
Until that day,
Until the world falls away,
Until you say there'll be no more goodbyes,
See it in your eyes,
Tomorrow Never Dies.*

*Darling you won,
It's no fun.
Martinis, girls and guns,
It's murder on our love affair.
It's you, that's your life
Every night
While you chase the morning light
You're not the only spy out there.*

*It's so deadly my dear,
The power of wanting you near.
Until that day,
Until the world falls away,
Until you say there'll be no more goodbyes,
See it in your eyes,
Tomorrow Never Dies.*

*Until that day,
Until the world falls away,
Until you say there'll be no more goodbyes,
See it in your eyes...*
