

# **SURRENDER.**

1997

Chanté par: ???

*Your life is a story  
I've already written  
The news is that I am in control*

*I have the power  
To make you surrender  
Not only your body, but your soul*

*Refrain.*

*Tomorrow never dies, surrender  
Tomorrow will arrive, on time  
I'll tease and tantalize  
With every line till you are mine  
Tomorrow never dies*

*Whatever you're after  
Trust me, I'll deliver  
You'll relish the world that I create*

***Refrain.***

*The truth is now  
What I say  
I've taken care  
Of yesterday*

***Refrain.***

*Tomorrow never dies.  
Tomorrow never dies.*
